THE EVENT

MARCH 25, 2024 AT 7:00 P.M.

Rocket Chef is based on popular and contemporary food television challenges, and will showcase local chefs from a diverse range of backgrounds and experiences.

Their cooking ability will be tested in a time-pressured environment using “mystery” ingredients, and oh by the way ... all of this will take place on a stage in front of a live audience of nearly 300 people and four well respected culinary judges!

Before the Rocket Chef competition, food enthusiasts will have the opportunity to sample cuisine from each chef’s restaurant during our tasting reception.

All proceeds from the event will benefit the Merrimack Hall’s Happy Headquarters. Founded in 2008, Merrimack Hall started as 1 weekly dance class for 10 children with special needs. Over more than a decade, our programs have grown to 23 arts related classes that serve hundreds of individuals with special needs from Huntsville, Madison County, and across North Alabama. These extracurricular activities enrich the social and creative needs of all who are involved.
